Letter of Reference:

It gives me some pleasure to speak about a man who has been so receptive to new ideas, and methods. As an independent contractor and a minister, I have known Mr. Politte for several years. One thing I admire about Mr. Politte is his ability to get along with people extremely well and work as a team player, and of course, his willingness to learn and do the necessary research/work to have all the latest data on the subject matter at hand.

If there would be any questions, please do not hesitate to call me at numbers below.

Sincerely,

Eric Smith.
